

2.5kWh 2.2kW Solar Power Bank

Data Sheet V1.2

Specification

Input from solar unit into power unit	28-40V DC
Maximum input power	450W
Output from power unit	220-240V AC
Maximum output power	2200W peak
Steady-state output power	1200W
Battery energy capacity	2.5kWh
Ingress protection – solar unit	IP65
Ingress protection – power unit	IP65
Operating Temperature Range:	0 – 40 degrees C
Model	MS-2.5-MOB1
Serial No:	
Charger app PIN:
