

340W Modular Solar Unit

- Plugs into 13A socket
- No assembly or tools required
- Fully compliant with new UK regulations

**Adjustable by season
to maximise power**

**All plugs and cables
provided**

**Quality Photovoltaic cells,
manufactured in Spain**

**IP67 waterproof plugs &
sockets integrated into unit**

Specifications

Electrical	
Inverter Type Test System Reference	HOYMZ/03485/V1
Output Voltage	230 - 240V
Nominal Frequency	50Hz
Output Current	1.4A Max
Max Output Power	340Wp
Ingress Protection	IP67
Physical/Dimensions	
Length	1800mm
Width	1200mm
Depth	160mm
Weight per unit	35kg
Operating temperature	-20°C to +40°C
Annual Energy Output (unshaded, South facing)	
UK Midlands	350kWh
Provence France	550kWh
Additional Information	
Warranty	10 Years
